

Daniel joined Bousfields in 2018. He is a Registered Professional Planner and Full Member of the Canadian Institute of Planners.

Daniel is involved in several planning projects in the Greater Toronto Area and assists in the preparation of development applications, due diligence reports, and site-specific policy research.

Prior to joining Bousfields, Daniel worked in the public sector as a Development Planner and Heritage Planner where he managed development applications and authored reports for Council, Committee of Adjustment, and the Municipal Heritage Committee.

Daniel's education includes a Master of Planning from Ryerson University and a Bachelor of Arts in Urban Studies from York University.
