

Allison is a Senior Planner at Bousfields, having joined the firm in February 2017 with a broad range of experience in land use planning, development approvals, land acquisition and feasibility analysis. Allison graduated from the University of Waterloo in 2014 and holds a Honours Bachelor of Environmental Studies in Planning, with a specialization in land development and urban design.

At Bousfields, Allison is involved in a variety of land use planning matters and development projects throughout Toronto, Hamilton and the Greater Toronto Area. She is actively involved in the management of various development applications and regularly prepares planning rationale reports and associated studies for Official Plan amendment and rezoning applications, as well as supporting materials for minor variance, consent and site plan approval applications. Allison further applies her knowledge of Ontario's land use planning system in the preparation of highest and best use reports and the preparation of evidence for expropriation hearings.
