

Michael is a graphic and communication designer specializing in identity design and brand management. A graduate of Ontario College of Art and Design University, Michael holds a Bachelor of Design with a major in Industrial Design.

His work at Bousfields focuses on graphic design, branding and strategy: developing integrated brand experiences designed to function across print, digital and environmental applications. Michael's skillset facilitates complex, multi-stakeholder brand solutions, art direction, concept development, copywriting, environmental design, signage and web design.
