

With over ten years of professional experience as an Urban Planner, Sally has a broad range of both private and public sector experience working in urban and rural contexts. She works with a range of clients to manage complex multi-disciplinary projects and resolve land use issues. Sally is responsible for the daily co-ordination of projects and liaises with clients, consultants and municipal staff to finalize deliverables and obtain planning approvals. Sally has a particular interest in working on city centre regeneration projects within sensitive heritage contexts.

Sally holds Bachelor of Arts degree in French and Geography (with First-Class Honours) from the University of Birmingham and a Master of Science degree in Spatial Planning from University College London, graduating with distinction. Sally is a Chartered Professional Member of the Royal Town Planning Institute.
