

Hailey joined Bousfields in 2021 as a Planner. She is a Registered Professional Planner and holds a Bachelor of Environmental Studies with Honours from the University of Waterloo. Through Waterloo's co-op program, Hailey worked as Student Planner at the City of St. Catharines and at the Ministry of Transportation as an Assistant Environmental Planner.

Prior to joining Bousfields, Hailey worked as an Environmental Planner at IBI Group. In this role, Hailey worked on Environmental Assessments for large-scale transit and transportation projects including the London Bus Rapid Transit and Durham-Scarborough Bus Rapid Transit projects, and other subway and road improvement projects. She was also involved in the preparation of transportation and land use studies and policies, such as the Port Credit GO Station Area and Connectivity Plan.
