

Katie joined Bousfields in September 2015 after graduating from Ryerson University with a Master of Urban Planning, having previously attained a Bachelor of Landscape Architecture Degree from the University of Guelph.

Katie is involved in a variety of land use planning and development projects throughout the Greater Toronto Area. She is actively involved in the management of various development applications and prepares planning rationale reports and associated studies and reports for Official Plan and Zoning By-law Amendments, as well as supporting materials for minor variance and site plan approval applications. She is also responsible for assisting in the preparation of evidence and materials for the Toronto Local Appeal Body (TLAB) and the Ontario Land Tribunal (OLT).

Katie is a Registered Professional Planner in Ontario and a full member of the Canadian Institute of Planners.
