

Charlie first joined Bousfields as an intern in 2017 and was hired full-time in September 2019. He holds a Bachelor's degree in Geography from the University of Guelph and a Master's degree in Urban and Regional Planning from Queen's University. He has studied abroad in Perth, Australia at the Australian Urban Design Research Centre (AUDRC), focusing specifically on master planning of the Perth CBD.

At Bousfields, Charlie has worked across the GTHA on a variety of projects including large-scale mall redevelopments, infill mid-rise and high-rise buildings as well as complex rental replacements developments. He consistently produces Planning Rationale Reports, Zoning By-law Amendments, conducts site-specific policy research and prepares materials for hearings at the Ontario Land Tribunal (OLT). Charlie relies on his strong set of interpersonal skills to collaborate with consultants, City Staff and a broad range of stakeholders to address planning issues.

Charlie is a Registered Professional Planner (RPP) and full time Member of the Canadian Institute of Planners (MCIP). When not working Charlie can be found exploring the Don Valley on his mountain bike, skiing and finding new restaurants across the City.
