

Simone is an Associate at Bousfields and a key member of Bousfields Community Engagement Practice. Simone develops, manages, and implements community and engagement strategies for private and public sector clients with projects across the Greater Toronto and Hamilton Area.

Simone is experienced in spearheading and facilitating engagement and communication approaches at a range of scales and using a variety of methods. Some of the key projects that Simone has worked on include the Engagement, Consultation & Communications Strategy for Durham Regional Local Housing Corporation Sites, Regent Park Phases 4 & 5 Revitalization, East Harbour Mixed Use Master Plan, and CF Fairview Mall Redevelopment.

Drawing from the depth and breadth of her experience, Simone aims to generate dynamic approaches to engagement that spark meaningful and constructive dialogue, as well as inspire those who may not traditionally participate to do so.
