

Dan is a Senior Planner at Bousfields, having joined the firm in June 2024. Dan holds a Bachelor of Environmental Studies in Honours Planning from the University of Waterloo and a Master of Architecture, Urbanism and Building Sciences, Urbanism Track, from the Delft University of Technology.

Prior to joining Bousfields and completing his Master's degree, he worked in the public sector as a Development Planner where he managed applications including Official Plan Amendments, Zoning By-law Amendments, and Plan of Subdivision, Site Plan, Minor Variance and Consent applications. With a wide variety of project experience, he has expertise in land use planning, policy planning, transportation planning and urban design.

Dan is a Registered Professional Planner and Full Member of the Canadian Institute of Planners.
