

Zunash Ashiq Ali joined Bousfields as a Graphic Designer in 2020. She is a design professional and enjoys crafting creative solutions for businesses of all sizes. She developed digital expertise in all things design, strategic advertising and branding. She holds a Masters of Fashion Management and a Post Grad in Advertising and Graphic Design from Humber College along with a Certificate in Digital Media from OCAD. She has worked at some great organizations such as Colliers International and TEDxDonMills. She also has co-published a coffee table book as an Illustrator. She believes in lifelong learning and giving back to society. When she is not working, she can be found watching movies, painting, or hanging out with her friends and family. At TEDxDonMills, she volunteers and supports as a Creative Director, and develops ideas around the themes of TEDx. She Also provides compelling visual design solutions for print, web and social campaigns for small businesses and startups.
